

**Why learn English in Perth?** – Known as one of the safest, most relaxed, and most beautiful cities in Australia, **Perth** is a great location to **learn English**. With year-round blue skies and crystal-clear waters just off the coast, it can be easy to feel like you're on vacation. But Perth offers more than just its good looks: the city also has a number of job opportunities, even for immigrants and students. And with its prime location in West Australia, it's in the same time zone as many Asian countries and a direct flight from capital cities in Asia, Africa, and the Gulf States. In fact, it's faster to fly to Bali from Perth than to Sydney!

In 2017, Perth was rated one of the top 10 most liveable cities in the world by the Economist Intelligence Unit. It's one of Australia's most exciting cities, with a mix between the country's top restaurants, nightclubs and cultural activities, along with breathtaking nature, parklands and gardens. Elizabeth Quay opened in 2016 and connects Perth with the incredible Swan River, which is a definite must-see. Think of all the places you can visit if you **take an English course in Perth!**

**Taking English classes in Perth** will open you up to endless business opportunities with its strong economy and rich resources. Perth boasts a 93.7% employment rate as of June 2018, according to a recent study by the city. And with the highest minimum wage in the world, Australia offers a high quality of life to match. You might not know it, either, but Perth has the highest number of self-made millionaires per capita than any other city in the world. So, by **studying English in Perth**, you could be next!

You'll always feel welcome in Perth, a diverse city with a population of over 2 million people. According to the city, over 170 languages are spoken and 100 religions are practiced in Perth! As English is the most commonly spoken language in the city, and one of the most popular languages spoken around the globe, you'll open yourself up to a whole new world by **learning English in Perth**.
